

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for 1998 Sidewalk Repair Program and Miscellaneous Concrete Work

MEETING DATE: January 21, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project will provide the City with a unit-price bid for removing and replacing curb, gutter and sidewalk in various locations throughout the city. This is an annual contract and will be used to administer the sidewalk repair program and to repair bad curb and gutter as needed during 1998. A clause in the specifications will allow the City to extend the contract an additional year if it is mutually agreed upon by City staff and the contractor. An increase in concrete prices during the past few months prevented Popuch Concrete, the City's contractor for the 1997 Sidewalk Repair Program and Miscellaneous Concrete Work Project, from being able to extend the 1997 contract into 1998. Purchase orders will be issued for the work to be done.

Specifications are on file in the Public Works Department.

FUNDING: The money for this project will be coming from the Gas Tax Fund.

Project Estimate:	\$50,000
Budgeted:	1997/98 fiscal year
Planned Bid Opening Date:	February 18, 1998
